Invitation

PETER SMITH
LOST
IMPOSSIMALS

Welcome to the wonderful world of the Lost Impossimals.

You are about to embark on a discovery of the forgotten history of some of the art world's most enchanting characters. From the reclusive Illuminated Fairy Furry Floopaloo to the shy High Tea Hee-Haw, each hides a fascinating story. Although their history has been buried deep in the archives of the National Museum of Antiquities for over 100 years, their influence has reached into some surprising corners of modern day life.

Join us on this magical discovery to find out how...
